

I'm writing you concerning the new LPFM stations that are being considered for change. Please do not allow the LPFM stations to take priority over the current FM stations. We cannot afford to lose our stations locally because of this change! K-LOVE radio is a big part of our lives.....the effect of the community would be great. There are a lot of supporters here in our community that would be very upset with the actions that are being considered. This type of decision should be up to the vote of the public, not made behind closed doors. Thank you for your time, Beth Hayes
